# Playoff Schedule

## Rules and Regulations

1. Unless otherwise noted, the CCA Rules of Curling for General Play will apply.
2. All games are 8 ends. All teams must play a minimum of 6 ends in pool play.
3. In order to maintain a reasonable schedule, a time limit of 2 hours and 15 minutes will apply to all pool games. At the 30-minute mark remaining in the draw time, teams will complete the end they are playing and play one more. The clock at the end of sheet 3 is the official time clock for the event.
4. During all games, the winner of the coin toss will have the choice of last rock in the first end or rock colour. Please note that, in Ottawa, it is traditionally the lead that tosses the coin.
5. Scoring during the round robin play:

- a) The Winning Team will receive ten (10) points; the Losing Team will receive zero (0) points. In the case of a tied game, each team will receive five (5) points.
- b) Each team will receive one (1) point per end in which they score. No points are awarded for a blank end.

If an end is not played due to time constraints, no points will be awarded for that end.

Should a game be conceded without 8 ends having been played, the winning team will be awarded a point for each end not played.

- c) The teams will receive a half (1/2) point for each of their points scored to a maximum of five (5) points.

E.G. Score Team A: 10      Ends won: 6

Score Team B: 3      Ends won: 2

Team A gets 10 points for the win, 6 points for ends won, and 5 points for points scored, for a total of 21 points.

Team B gets 2 points for ends won, and 1 1/2 points for points scored, for a total of 3 1/2 points.

6. At the end of the Round Robin, the total score accumulated after the three (3) pool games will determine the final position in their respective pool. The 1st place team in each pool will qualify for the "A" event, and the next highest score in each pool qualifies for the "B" event, regardless of the point count in the other pools.

7. Teams will be seeded within each event according to total points accumulated during pool play. If two teams are tied in points, a coin toss will determine the position. The team skip with the last name higher in alphabetical order will call the toss.

8. The remaining teams will be entered into a random draw for the "C" event (Lucky Loser). The four teams selected will playoff on Sunday.

9. All rules are subject to the interpretation of the Bonspiel Coordinator, whose decisions are final.

**Without our generous  
sponsors our bonspiel  
would not be possible**
